Subject: Affidavit Letter of Support for Dayna and Leo Gentry

Dear USCIS,

I am writing this to confirm that I have known Dayna since our elementary years in the early 2000s. We were classmates from grades 2 to 6, before she transferred to another school during the 7th grade. Despite attending different high schools and universities, we still communicated through text messaging over the years. I met Leo in 2014 when I attended Dayna's graduation ceremony, during which they officially declared their relationship. In 2020, I organized Dayna's bridal shower and attended their wedding as a matron of honor. In 2025, my husband and I moved to a single-family home next to theirs. We visit each other at least once a week, and I can tell that they truly enjoy each other's company.

Thank you for the opportunity to share this information with you. If you have further questions and other concerns, please do not hesitate to contact me at 222 555 7777 or send me an email at mirajane@email.com.

Under penalty of perjury, I certify that the information presented herein is true and accurate to the best of my knowledge.
